

Discord

In the announcement via whatsapp, there are discord link.

<https://discord.com/invite/kwP74sWvJJ>

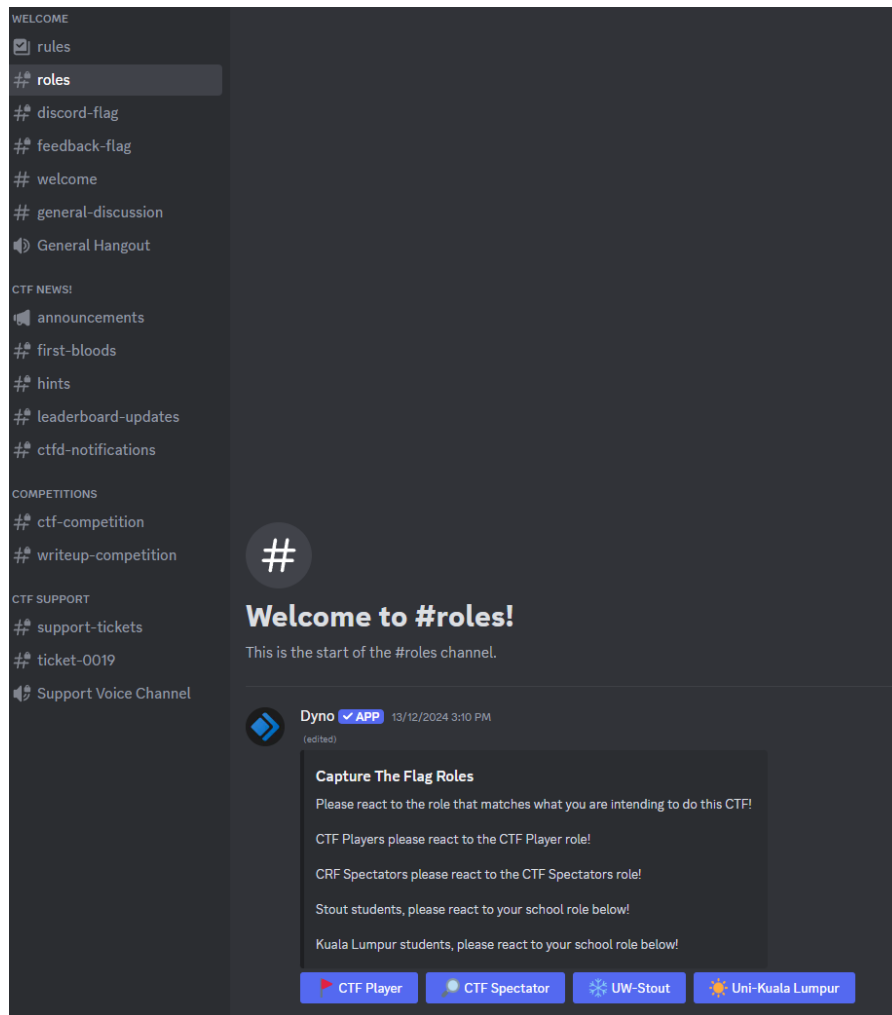

Alternatively, in the rules page, <https://ctf.oplabs.us/rules> scroll to bottom and click Join Our Discord button

Support

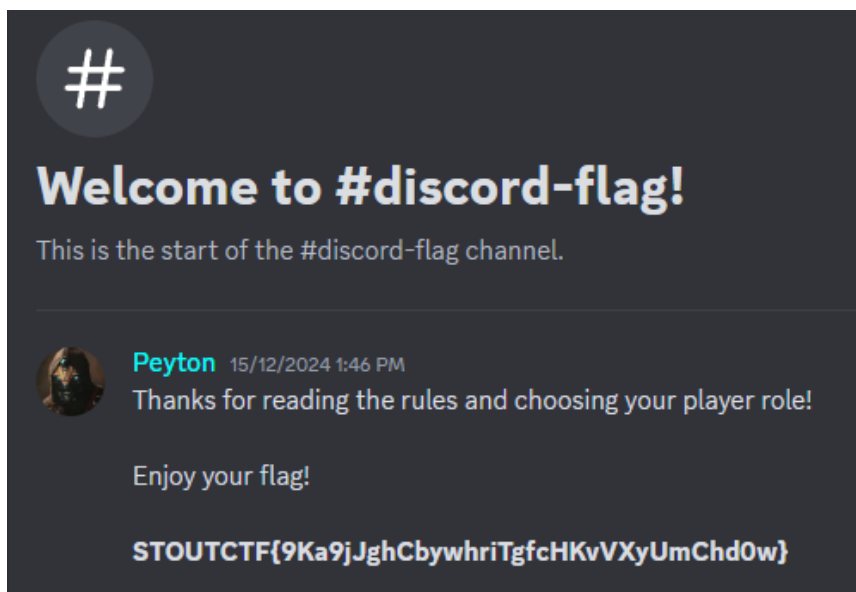

For real-time assistance, open a support ticket in our dedicated Discord server:

[Join Our Discord](#)

On the left pane there are multiple discord channel. Go to #roles and react to the message to get you discord role.

Looking at the left pane again, there should be a channel called #discord-flag and got the flag there.
