AATTTGTTGCGAGTCTAGATCAATGATTAGTCGTGACACCCTCACG
```

1. Hint Analysis:

The term "**Jeans = Gene**" suggests the challenge is DNA-related.

2. Find Decoding Tools:

Use the recommended websites to decode the DNA information:

[DNA Writer: Storing Information in DNA Exercise - Montessori Muddle](#)

[Simple DNA Writer](#)

3. Decode the DNA:

Input the given DNA sequence into one of these tools to decode it into readable text.

Translate base sequence to text

Enter Sequence:

Show Color Sequence: ☐

Output:

Flag
