Iera Milpan

For forensic questions, you always need to check the file type first before anything.

```
┌──(zeqzoq㉿DESKTOP-TVA03PG)-[/mnt/c/Users/hzqzz/Downloads/stoutctf]
└─$ file Retak_Hatiku_-_Iera_Milpan.mp3
Retak_Hatiku_-_Iera_Milpan.mp3: PNG image data, 1219 x 48, 8-bit/color RGBA, non-interlaced

┌──(zeqzoq㉿DESKTOP-TVA03PG)-[/mnt/c/Users/hzqzz/Downloads/stoutctf]
└─$ mv Retak_Hatiku_-_Iera_Milpan.mp3 Retak_Hatiku_-_Iera_Milpan.png
```

We know it's a PNG so just rename the extension, open, and got the flag
